

Jewellery – rules at BCHS

What is the rule on wearing jewellery at BCHS?

The only jewellery permitted is a pair of stud earrings.

What will happen if I do not adhere to this rule?

If students wear any other jewellery, they will be asked to remove it and this will be placed into a named envelope and put in the school safe to be collected at the end of the day.

If I refuse to hand over my jewellery what will happen?

If you refuse you will be isolated and work under supervision, your parents will be contacted.

In the case of continual breaches of conduct, your Tutor will contact the AYL/SYL and again, isolation and/or confiscation considered.

This will start next Monday
18th September
