

## HoY Newsletter Week 1—Year 10

### **Personal message from HOY:**

Year 10, it has been a pleasure to welcome you all back to school this September. It is for certain that the staff and your peers have missed you. The first few weeks back have been extremely positive, and I am proud of every single student who has adapted to the measures within school in a positive way. The current climate we are living in is difficult and uncertain, yet year 10 have returned with maturity and willingness to return to learning. Year 10 lessons have been engaging and students have shown great appreciation to be back at school.

Seeing students return to socialising with friends has been a pleasure and something that many have clearly missed. It is imperative that all students remain vigilant of the measures during social times to ensure that everyone remains safe; I am pleased that the majority have been able to adhere to this.

As we move further into this term, I look forward to continuing to work and support the year group. Every student in year 10 has the greatest potential and I will endeavour to help them to achieve this.

### **Workers of the week:**

- Emma B has received the highest number of achievement points in year 10 so far this term. This proves her hard work and dedication in her subjects since returning to school. She should be very proud of this achievement.
- Ashdon E has received the highest number of achievement points in year 10 so far this term. This proves his hard work and dedication in his subjects since returning to school. He should be very proud of this achievement.

### **Random Acts of Kindness:**

There have been several acts of kindness within the year group so far this term. Harry M a quiz for his form to complete - this will also be shared with all other year 10 forms. Georgia R for baking cookies and sharing them with peers and staff. Alicia T for being a superb buddy to a new student who started BCHS this term.

### **Challenge of the week:**

Reflect on your return to school and create a diary of your start to the new term. Set yourself positive goals to achieve this year and use this as a platform to achieve your full potential. Keep it safe and refer to this throughout the year.
