### **PSHE**

As part of our commitment to our student's wellbeing we want to create and feedback we have received from staff and parents, we want to create time away from the screen. Therefore when your child would have PSHE we will be asking them to complete an off-line task. These will be set via that teacher. It would be great if they could send us a picture via their teacher so we too can share all the amazing things they are doing. A timetable of activities will be set.

### **Homework**

Years 7 to 9 - to facilitate our aim for younger students to be away from the screen, each department will set off screen project work for students to complete over a two week period.

Year 10 to 13 – normal homework timetable will apply.

## **Year 8 Parents Evening**

Year 8 Parent's Evening will be held over one evening only - Tuesday 2nd February 2021.

Parents will be able to book their appointments online through the BCHS Parents' Evening Booking system from Thursday 28th January at 10.00 am.

Finally, I would like to say well done to all students who continue to submit assignments and engage in on-line lessons. Thank you to you personally as parents/carers for supporting both us and your children.

Have a good weekend.

Yours faithfully

Miss M Ryan
