15<sup>th</sup> July 2020

Dear Parent/Carer

## **Year 13 Pupils 2019-2020**

As we approach the end of term, I am writing to update you about our arrangements for the examination grade collection. We can provide a few options for your child to collect their results. If your child wishes their results to be sent in the post or emailed, they should contact Mrs Hendry ([o.hendry.bch@osborne.coop](mailto:o.hendry.bch@osborne.coop)) and provide a valid email address or confirm their postal address. Results will be posted and emailed out on the afternoon of 13<sup>th</sup> August. If your child wishes to collect their results in person, this must be done under social distancing regulations and they can collect their results from the school between 9am and 10am on the 13<sup>th</sup> August.

On arrival, students should follow the signs which will direct them to a desk where they can collect their results. Under the current circumstances, we must ask students to adhere to the allocated time slot and not to gather on the premises outside of these times. We will have senior staff available on the day to support with anything they may need.

We are sad to not be able to celebrate students' successes as we normally would at the end of the year but we are very much hoping we will be able to hold our certificate evening in December. Although I will now say, we wish them all the best for the future and are very much hoping to do that in person one way or another next term.

Our Year 13 students (Class of 2020) have been an excellent year group and our staff have enjoyed teaching them over the past two or seven years. It has been a very difficult end to their education at Brentwood County High, but we know their resilience and independence will help them put the year's events into perspective. It has been a unique situation, but they have bright futures ahead of them and I am sure they will take every opportunity to make the most of that. We have kept in contact with all pupils and we are aware of most of their plans for the next stage of their lives. If any student wishes to discuss this further, they can contact any member of the senior staff or Mr P Anstee for some individual support and guidance.

I would like to finish this by thanking you for all your ongoing support for Brentwood County High School and wishing you all a healthy and safe summer.

Kind regards

Miss M Ryan  
Head Teacher

Brentwood County High School is a proud partner in the Osborne Co-operative Academy Trust
